NEW YORK, N. Y. WASHINGTON, D. C. 280 BROADWAY. CORCORAN BLDG.

NEW ORLEANS, LA.

The Washington Race Meeting opens at Bennings Monday, March 23. It continues for three weeks.

\$10 placed on each of our selections daily there last season netted \$400. We did not have a losing week, and had only two or three losing days. We are there again awaiting the commissions of our three thousand patrons, and you are invited to join us.

The use of our Turf Information makes you a rival of the United States Mint.

OUR THREE The Maxim & Gay Co. have three distinct systems of operating. They are the One-Horse-Per-Day Play, the Three-Horse-Per-Day Play and the Six-Horse-Per-Day Play. They are easily understood. When our force of experts meet at night to go over their selections for the morrow, some one horse stands out pre-eminently in their judgment as a winner. We therefore take this horse as the best single bet of the day, and the name of this horse constitutes the One-Horse-Per-Day Play. Enlarging on the idea, three horses are selected and given out for the Three-Horse-Per-Day Play. The Six-Horse Play

consists of the horses chosen to win each of the six races daily. Here follow the results of a \$10 play of each of these systems at Bennings last Spring:

WHAT THE BEST NEWSPAPERS SAY OF OUR PROBITY AND STANDING.

The echoes from the smash-up of the malodorous "get-rich-quick" concerns have hardly ceased sounding, and we leave to others to point out the wide difference between the Maxim & Gay Co. and such excrescences. Founded on business principles, carried forward on sound lines, and to-day greater, stronger and commended by every past client and turfman, the Maxim & Gay Co. promises no more than can be done, and makes good

Cincinnati Commercial Tribune, March 1, 1963: Maxim & Gay, who have been so successful in selecting winners at the New Orleans races, are in a class by themselves and have no relation in their system of operation to the "get-rich-quick" schemes that have recently gone to pieces disastrously to those who patronized them. Maxim & Gay do not guarantee their clients profits nor against losses, but merely play the money of their subscribers and deduct a fixed percentage from winnings for placing the commissions. This point is made clear in all their announcements. What they guarantee to do is to confidentially handle all money forwarded them and place it on the races just as if it were their own. They have in their employ as "clockers" the most expert judges of track work in the country, and there is not a horse at the New Orleans meeting that they have not a record of. The information collected in this way is used to the benefit of their subscribers, and its reliable character is attested by the numerous winners they have picked in the past two weeks.

Maxim & Gay are the ploneers in this line of investment or speculation; they have been established three years; they conduct their business on straightfor ward business lines; their methods have been thoroughly investigated and are entirely different from those pursued by the "get-rich-quick schemes." so-called, which were but recently closed by the authorities. Lanky Box Artist Turns Out for Opening Work of the Season at Dallas.

settlement late Tuesday night, "Jeems," when togged out in uniform, appeared as though he did not carry a pound of "winter overweight."

As there is considerable power in the six feet three inches of him, Manager Donovan sent "his stilis" out to the lot bright and early yesterday morning. He went in for regular honors like a good fellow, and whipped them over hard and often. He looks as though he has been training all winter, though he says not.

The team did not take in the Trinity River grounds yesterday, as was expected. Manager Donovan visited the grounds, and after looking them over ordered several men to go to work on the diamond.

The Fair Grounds diamond is still in poor condition for fast work, the infield being rough and dotted with bad spots. The weather yesterday was a trifle cooler than the previous day, the heavy black clouds obscuring the Texas sun. Fungo hitting, practice stick work and base running were the features of the day's work, after which came a sprint for the hotel.

Saturday and Sunday Donovan will contest his players against the local club. The Dallas fans think mighty well of their town club, and there will undoubtedly be a lot of fun in sight when the game is played.

changed from 11 a. m. to 3 p. m. As a consequence, there was a very small attendance at Battle Park to-day, as notice had not been previously given that the hours for practic had been changed.

Jack Powell, the broad shouldered pitcher, who arrived yesterday, did not do any work from the box to-day, preferring to wait until he was rested from his trip. Sudhoff. Powell, Reidy and Seviers are all a little sore in their muscles, from the effects of pitching, but explain that this is a natural consequence of the first exercise of the season.

It rained a short while last night, but the day has been clear, with a slight breeze from the east, which has been quite a factor in drying the grounds. SEDALIA TEAM IS COMPLETE. Strong Organization to Play in the

Stewards Find That He Played Worthington Heavily to Win the Lady Alberta Race.

CAFFERTY NOT FOUND GUILTY

No Evidence That He Was Responsible for Favorite's Bad Race -Good Day's Sport at New Orleans Yesterday.

REPUBLIC SPECIAL New Orleans, La., March 18.—The stewards to-day concluded their investigation of the Worthing-Lady Alberta race of last Monday and issued the following ruling in reference to the same: "All entries of Hart Dernham will be refused by the Crescent City and New Louisiana lockey clubs in the future."

J. J. McCafferty, the owner of Lady Alberta, was not found guilty, there being no

J. J. McCafferty, the owner of Lady Alberta, was not found guilty, there being no evidence that he was connected with the job, although the officials were very sanguine that he had a finger in the pie. As to Dernham, it is said that the stewards found that he had his horse heavly played away from here. The officials said that, had the track been good on Saturday, they would have ruled Dernham off the turf.

The day's sport, considering the caliber of the fields, was for above expectations. Four of the favorities won and in three of the events the finishes were close enough to leave the winner in doubt until the official numbers were displayed.

The result of the thiru race was very unsatisfactory to the backers of Sir Christopher. The horse was heavily played, was much the best and was winning in a canter, when F. Smith, who rode him, eased him in an attempt to draw a fine finish. Along at the sixteenth pole Smith took a pull on Sir Christopher and kept looking around. Hicks, on Star Gazer, worked hard and, catching Smith napping at the end, just managed to get up in time to win by a narrow margin. The judges evidently got rattled, as it was some time before the official placing was displayed. Smith gave as an excuse that he had been told not, to win too far off with Sir Christopher.

Gannon's handling of Miram W., the 3-to-5 favorite in the first race, was equally as bad as Smith's tactics on Sir Christopher. Whatever chance Miriam W. had was ruined by the ride Gannon put up. He had the filly under restraint the first half in behind the leaders. When he made his move, he came to the outside and in the final furlong rode a weak finish.

The stewards questioned him about his ride and he gave as an excuse that he was cut off a couple of times. The winner in this race turned up in the 60-to-1 shot, Centie, which won easily by three lengths from Versifier.

Mrs. Frank Foster made her company look cheap in the second race. She had a lot of speed, made all her own pace and won in a romp by three lengths from Travers.

Fuller's finish on Farmer Jim in the fourth race was the worst he has put up at the meeting. In attempting to draw nis whip he let go of Farmer Jim's head and the latter swerved over toward the inside in the deep and sticky going. This let Mauser up again and the latter won going away by two lengths.

Whitmore, well backed by his stable and the public in the fifth race, managed to stagger home a neck in front of El Rey.

James Arthur bought of H. I. Saxton the aged gelding Federal. The price paid is said to be \$1,800.

BROWNS CHANGE LOCATIONS.

Take Up Their Practice Work on the Diamond at Mattle Park.

REPURLIC SPECIAL.

Baron Rouge, I.a., March 18.—The St. Louis Browns had their first work out on the diamond of Battle Park to-day. The grounds, not having been used since last season, were a little soft, but Manager McAleer is of the pointing that with a few days more of dry weather, they will be in good condition.

In order to get in shape for work in the heat, the hours of practice have been changed from 11 a. m. to 3 p. m. As a consequence, there was a very small attendance at Battle Park to-day, as notice had not been previously given that the hours of Frantanian, 100 (Schiller), 3 to 1, second; Henry of Frantanian, 100 (Schiller), 3 to 2, won; El Rey, 113 (Romanelli), 4 to 1, second; Henry of Frantanian, 100 (Schiller), 3 to 1, info, 1:36.
